

# Teenagers and Gambling

helping you have “the talk”  
A seminar for parents and teachers

Join us to learn about the warning signs and how to have “the talk” from Bethany Community Support Educator Carla Scott & guest speaker who has experienced gambling harm.

## DID YOU KNOW:

- Up to 80% of 13–17 year olds gamble.
- Teens are actively groomed to gamble through popular video games, social networking sites and apps, this normalises gambling in young peoples minds.
- Teens are 4 times more likely to develop gambling problems then adults
- Early detection can literally help save young people’s lives

**When: Monday 18th June 2018**
