Circular to principals of MACS schools

Governance statement for school websites

Main Points

- It is important that parents, students and the wider public are clear about the relationship between schools and Melbourne Archdiocese Catholic Schools (MACS) as the entity responsible for the governance and oversight of the education ministry in the Archdiocese of Melbourne and the employer of school staff.
- A MACS governance statement has been drafted for inclusion on school websites to provide this clarification:

[School name] is a school which operates with the consent of the Catholic Archbishop of Melbourne and is operated and governed by Melbourne Archdiocese Catholic Schools Ltd (MACS).

MACS governs and operates 292 Catholic schools in the Archdiocese to continue the mission of Catholic education to proclaim the Good News and equip our young people with the knowledge, skills and hope to live meaningful lives and enrich the world around them.

Because the good work of educating the young is a co-responsible task led by every member of the Catholic school community, School Advisory Councils have been established to provide a crucial point of connection between the wider school community and school leaders.

This governance model was designed to ease the administrative burden on our schools and parishes, allow parish priests to focus on the mission of education in the parish, enable greater collaboration between schools and ensure greater consistency in school policies and procedures.

More information on MACS is available at www.macs.vic.edu.au.

Critical Dates
