

Uniform Policy

Uniform Regulations

The College expects that students should always be well groomed and neatly presented in full school uniform. The uniform should be well maintained i.e. winter shirt tucked in, top button done up, shoes polished and in good repair and ties to be tied correctly. Each student is required to have full summer, winter and sports uniform. Dress and winter skirt lengths need to be at / or below knee height.

The requirements listed below are not exhaustive and may be subject to change. The Principal and/or Deputy Principals will be the final arbiters on all matters of contention and will make other determinations throughout the year as to what is acceptable and appropriate as fashions and styles change.

Notes:

If for unforeseen circumstances a student is not in full uniform, a written, signed and dated note from a parent/guardian must be presented to the Homeroom teacher. Such issues are expected to be resolved within **one week** from the presentation of the note.
